

Hello butterfly enthusiasts,

Another year or more has flown by at a dizzying pace and our records indicate that it is time to renew your membership in the Washington Butterfly Association (WBA). I hope that you've had a good year with many butterfly sightings and other nature encounters. Your dues and donations support educational opportunities through field trips and meetings, and promote awareness and appreciation of Washington's butterflies and their needs. We thank you.

Please fill out the attached form, write a check payable to "Washington Butterfly Association," and mail them to
